

ALLISON (CONT.)

(Reading the letter)

Dear Allison, Emma, Katie, Grace, Kimmy, Caroline, and Libby...

Allison looks up to see the girls looking petrified. She returns to reading the letter.

ALLISON (CONT.)

(Reading from the letter)

Today, as you know, is your pledge class' official initiation. Your fellow sisters were ready to take the next steps in joining the Kappa Nu sisterhood, but unfortunately... You are not.

KIMMY

WHAT?!

KATIE

What's happening?

LIBBY

Let her FINISH!

ALLISON (CONT.)

(Reading from the letter)

After careful consideration and review, your actions do not indicate that any of you are ready to join Kappa Nu.

KATIE

Actually what is happening?

CAROLINE

Let her finish.

ALLISON

In order to restore your place in this chapter, each of you must admit what you've done. Confess your sins to the group, and justice may be restored. Each of you has done something wrong, and you know what it is. Admit it to the group, as you're seeking their forgiveness just as much as ours. You don't have long, as once the ceremonial candles burn, the sisterhood is closed. Go forth and confess your sins... and don't lie... again.
