

OLIVER

Snazzle-

SNAZZLE

We were best friends!

OLIVER

We still are!

SNAZZLE

Sometimes it doesn't feel like it. Sometimes you leave for days or weeks and it seems like you're never coming back.

OLIVER

We go on trips.

SNAZZLE

And you don't bring me.

OLIVER

I don't want to lose you!

SNAZZLE

What if I want to be lost?! If it means being with you, I'll be lost a thousand times. Just to know that you cared enough to bring me with you. To see the world. When you don't come back I'm left alone with my thoughts. I can't move, everything is silent. That's when he comes and sits by me.

BIRDWATCHER

Misery loves company.

SNAZZLE

And everything slows down. Everything...

BIRDWATCHER

Stops.
