

SAM

I really thought it was a friendship thing.

MINA

If I meant it as a friend thing I would've asked the others as well! They were all at the bar with us that night!

SAM

Well, I... I thought you had noticed my interest in Christine and were offering your help.

MINA

Wait, Christine? You're interested in Christine?

SAM

Yes?

MINA

You barely spoke two words to her that night and I barely know you, how was I supposed to know you liked her?

*(scene shifts back to Theo and Avery)*

THEO

Look, can we please just agree to disagree on this topic? Please?

AVERY

Sure, but I think this date is over.

THEO

Seriously?

AVERY

If we can't agree on something as small as a book or movie, I really don't see how we'd agree on bigger things. Better to call it quits now.

THEO

I guess so.

*(pause)*

It was nice to meet you, Avery.
