

TONY

I mean...I don't think. Like I said, you're a thinker, I should be like you. I should think.

DEREK

You do think Tony.

TONY

No I don't.

DEREK

Come on. Yes do you.

TONY

I don't. And you know it. You're always remindin' me of it. Don't act like you don't know it.

(Beat)

DEREK

You're right. You don't think.

TONY

What?

DEREK

But is that a bad thing?

TONY

Yes?

DEREK

No. No. It's not. I envy you Tony.

Tony wipes is tears with his safe wing and winces.

TONY

(frazzled)

En-envy? Me?

DEREK

Yeah dude. I always have.

TONY

Why? Why would you ever envy me? I'm reckless. I'm irresponsible.

DEREK

You're free.

TONY

Free.

DEREK

Yeah Tony. You're free. You do whatever you please, whenever. You go where your wings take you. And you never look back.
